Have fun with playhouses and sheds

Family Fund is pleased to offer you a grant for a playhouse or shed. We work in partnership with Atlantic Trampolines, to offer a wide range of good quality playhouses, summerhouses and sheds all year round. Their team of specialist advisors can help you put together the perfect package, to allow your child to have fun and stay safe.

How to use your grant

You can order your playhouse, summerhouse or shed online or over the phone by quoting the unique reference code shown in your grant award letter.

Remember

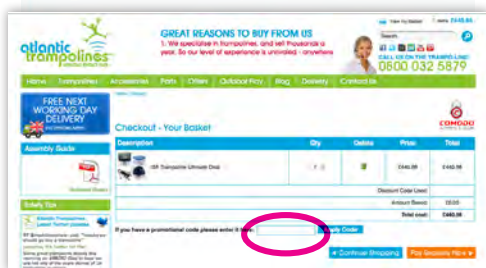

Playhouse and shed grants can be used to order a playhouse, summerhouse, hobby room or shed. If you have money left over after purchasing your grant item, this can be used for outdoor play equipment products. Please note, however, that there is no cash alternative available.
